

Promoting overall health through preventive oral care

Preventive oral care can help us maintain a healthy mouth—and body. That’s why we offer your employees the essential dental coverage they want at the best possible price. Our flexible dental plan options will help them stay healthy and within budget. And they can now also benefit from our new integrated health and dental program, Dental4Health®.

Dental plan options for every need

Asuris dental plans offer rich benefits, access to a large network of dentists nationwide, affordable coinsurance on basic and major services and no out-of-pocket expenses for in-network preventive services.

Asuris EnhanceSM

Employees enjoy comprehensive coverage with limited out-of-pocket costs.

Asuris Enhance RewardsSM

This Enhance plan offers rewards for proactive dental care—when services don’t exceed the annual maximum benefit, an additional benefit of \$250 may be rewarded the following year.

New in 2025: Dental4Health

Our dental and medical plans work together to help your employees live healthier through our Dental4Health program. Employees with certain medical conditions affected by oral health receive additional benefits that have been shown to improve their overall health.

The dollars and sense of Dental4Health:

- **Medical-dental integration:** Members with Asuris medical and dental plans are automatically enrolled based on their medical claims.
- **Lower medical costs:** Members enrolled in a similar program saved as much as 36% on inpatient medical costs.
- **No additional cost:** Program services are covered 100% (in network) with no out-of-pocket expenses or waiting periods. Services don’t count toward the annual maximum.
