Why Asuris dental?

Dental4Health

Our dental and medical plans work together to help your employees live healthier through our Dental4Health® program. Employees with certain medical conditions affected by oral health receive additional benefits that have been shown to improve their overall health.

The dollars and sense of Dental4Health:

- **Medical-dental integration:** Members with Asuris medical and dental plans are automatically enrolled based on their medical claims.
- **Lower medical costs:** Members enrolled in a similar program saved as much as 36% on inpatient medical costs.
- **No additional cost:** Program services are covered 100% (in network) with no out-of-pocket expenses or waiting periods. Services don't count toward the annual maximum.

A large and growing dental network

Members have access to a large and growing network of fully credentialed dental providers in Washington and nationwide. Dentists in our dental networks contract to provide services at reduced rates.

One carrier for health and dental benefits

A benefits package that includes Asuris health and dental plans provides you and your employees with the convenience of joint billing and account management.

Flexible plan options

- **Voluntary** (employee-paid) plans offer employees comprehensive benefits at little to no cost to you.
- **Dual options** allow you to offer your employees multiple coverage options.
- **Optional orthodontia coverage** is available for all groups.
- Groups larger than 100 employees are eligible for **additional customization options** for all plans.
- **Standalone plans** may be available for some groups.
